CENTER HARBOR PLANNING BOARD

The Center Harbor Planning Board had a relatively calm year in 1995, although not one without controversy which kept the Board on their toes and in touch with current planning rules and regulations. The most notable being the conceptual site plan review hearing presented by Russell & Sprague, LLC (Senters Market/Coe House Inn) for which the Town has adopted a zoning ordinance change at Town Meeting '95 to allow for a structure with the parameters of the one proposed to be built. It made for interesting and lively discussions at the meeting, most being hinged on a certain number of parking spaces which might have been relocated due to the site development. The Board was very surprised when the site plan application was withdrawn without further pursuit and now appears to be in a holding pattern.

In response to a petition received for the '96 ballot to revert back to the zoning as it appeared before the '95 voted change, it was decided by the Board that all the work they had done was appropriate to stay "on the books" so future development of this type could be allowed following the proper procedures and approvals. No other zoning changes were proposed by the Board for the Town Warrant this year. Also, the ongoing site plan for the Legion of Christ continues as the Board remains involved with the expansion of their school which will probably be the largest of its type in New England when they are done.

The Board was deeply saddened by the death of Ken Sorlien, longtime Chairman of the Conservation Commission and outspoken advocate for careful waterfront management and development. Few have contributed so much time and energy to our Town; we miss his presence, but know he's with us in spirit.

Co-Chairman Ed Libby continued his efforts in updating the Town's Capitol Improvement Plan which has been in place now for three years under his guidance. A big thank you for his time spent on this important task.

Leaving the board this year were Frank Fancher, Ann McCahan, and Alice Hanson. Their contributions will be missed and many thanks go to them for their efforts. The Board is happy to welcome back Diane Kline (after a short leave of absence) t active membership, and welcomes Seth Stearns as a new member. As always we're forever grateful to our Clerk Sheila Mohan for keeping us organized; and we'll continue to head forward as new challenges face us.

The Planning Board meets on the first and third Tuesday of the month at 7:30 pm in the Cary Mead Room. All meetings are open to the public and we welcome your comments and suggestions.

Respectfully submitted,

Kirk Meloney, Co-Chairman
Center Harbor Planning Board

JAMES E. NICHOLS MEMORIAL LIBRARY

Librarian's Report for 1995

The Nichols Memorial Library was the recipient of a $3,000 bequest from the estate of Mary Bergstrom of Center Harbor. It was Mrs. Bergstrom's wish that the money be spent for children's books. With the consent of the Board of Trustees it was decided to spend $1,000 each year for three years. This has been a tremendous aid to the children and young adult collections. It has allowed us to purchase picture books, fiction and much needed material in many subject areas for the young people. The North Country Office of the New Hampshire State Library disbanded their children's collection this summer and approximately 30 free books were acquired for the Library.

Eloise Coudert, head of the Parks and Recreation Department, led two Saturday morning ecology sessions for area children at the Library in April. A lilac bush was planted during the Earth Day celebration and water from the Lake studied during the "Living Waters" program. In November, Eloise did two Saturday morning activity sessions at the Library and the children created with beans and seeds and cornhusks. A children's summer reading program was offered on the theme "Saddle Up a Good Book", which was chosen by the children's librarians of New Hampshire. Prizes for the program were provided by Bayswater Book Co., Funspot, Innisfree Book Store, Kellerhaus, and McDonald's and given out at an ice cream sundae party in August. Local children's author, Joan Harlow, spent a Saturday morning in October at the Library talking about her stories.

With the Trustees' help, a successful book sale was held in July, as well as a consignment toy sale, handled by Linda Columbine. Profits from both sales were used to purchase new books for the Library. Patrons were again able to take advantage of passes to the Christa McCaullife Planetarium (given by the Meredith Village Savings Bank), and to the Science Center of New Hampshire (given by Library Trustee Helen Heiner). Mr. and Mrs. Charles Fritz very generously donated over 100 books on tape to the Library, and the Library patrons have made extensive use of this new service. Two benefactors gave money to the Library to build a carousal to house the books on tape and to build an additional book case in the children's area for books purchased from the Bergstrom gift.

Circulation for all Library materials for 1995 was 7,861, and increase of 1,266 over 1994. New patron registrations totaled 165. The total of new books added to the collection was 514, of which 314 were purchased and 200 received as gifts. The fiction collection was weeded and 286 books discarded. On interlibrary loan we borrowed 174 library materials for our patrons and loaned 149 items to libraries throughout the state.

Many individuals donated their time to the Library this past year and I am very grateful for their help. My thanks to Jackie Kelley, to the Trustees, and to the Library Treasurer for their continued aid and support.

Librarian

CENTER HARBOR VOLUNTEER FIRE DEPARTMENT

1995 Report

In 1995 the Center Harbor firefighters responded to a total of 185 calls; 70 of the calls were fire related, 82 were medical emergencies, 26 motor vehicle accidents were reported and seven service calls were answered.

Two more firefighters were certified to Firefighter Level 1, bringing the total number of state certified members to 17. Anybody interested in joining may contact any member for information.

In 1995 the Daniel Webster Explorer group was organized. At this time six members are involved. Members range in age between 14 and 18 and come from our town and its surrounding communities. Explorers are involved in trainings and also help out at calls. Over a three year period most will become certified and can join regular fire department membership. Anybody in the age group that would like information about joining may contact any member.

Residents and businesses alike are to be commended for their fire prevention practices. The use of smoke detectors is extremely important as they have saved many lives. Be certain to check the batteries often and also clean as needed. Do not hesitate to call our business phone at 253-4451 with any questions or concerns.

We would like to thank all the people who supported us this past year by attending our fund raising functions and with your generous donations. We sincerely appreciate it.

REPORT OF FOREST FIRE WARDEN

1995

In the calendar year 1995, our three leading causes of fires were Children, non-permit fires no properly extinguished and smoking materials.

Violations of RSA 224:27 II, the fire permit law and the other burning laws of the State of New Hampshire, are misdemeanors punishable by fines of up to $2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

To aid your Forest Fire Warden, Fire Department and State Forest Fire Officials, contact your local warden or fire department to find out if a permit is required. This also helps to prevent unnecessary response to a controlled burn.

1995 FIRE STATISTICS

Forest Ranger Reported Fires	
Number of Fires for Cost Share Payment	465
Acres Burned	437
Suppression cost	$147,000+
Lookout Tower Reported Fires	555
Visitors to Towers	26,165

Fires Reported by County	
Belknap	11
Carroll	50
Cheshire	39
Coos	17
Grafton	26
Hillsborough	71
Merrimack	49
Rockingham	106
Strafford	78
Sullivan	18

Local communities and the State share the cost of suppression on a 50/50 basis. The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid the quick response from the local fire departments.

LAKES REGION COMMUNITY SERVICES COUNCIL

During the past year, Lakes Region Community Services Council has continued to provide comprehensive services to the residents of Center Harbor who are developmentally disabled. Such services as residential, vocational and transportation have long since become an integral part of their lives.

Last year the Town voted $300 for the support of the Council, and these funds were earmarked for our transportation system and put toward new capital expenditures.

You may be interested to learn that during the period that the town has supported us, our van fleet has grown to 44 vehicles. This impressive growth is directly related to our accomplishing the mission for which we have been deemed responsible.

The "Greater Laconia Transit Agency" (GLTA), is a sub corporation of the Council. Formerly transporting only LRCSC clients, it now offers its services to the general public. During the past year it has expanded its services to meet the needs of this increasing ridership.

The Town's support for our Agency has been very meaningful in helping us to operate a transportation system. It is a critical underpinning for comprehensive community-based care. Without it, our mentally retarded citizens would be completely isolated in their homes. They are not because our transportation services connect them with a variety of day programs, whether they be rehabilitative activities or gainful employment.

The Council greatly appreciates the assistance that the Town of Center Harbor has given us and earnestly hope they will continue to support us in our efforts to help your developmentally disabled citizens lead meaningful lives.

Assistant Executive Director

REPORT OF THE CONSERVATION COMMISSION

1995

1995 marks the ninth year that Center Harbor has participated in the Lake Monitoring Project with the UNH Freshwater Biology Group. The water quality of our lakes and ponds continues to be excellent. Ingrid Smith and Duke Kline continue to monitor Center Harbor Bay. These waters are healthy and clear.

Our commission participated in the 9th Annual Household Hazardous Waste Cleanup Day. Harold Bernt helped compile data with people from other towns. Thousands of gallons of waste were collected at the eight different collection sites. 21 towns participated in this project.

Our commission also sponsored two students to the 4-H Conservation Camps during the summer. They were Laura Benoit and Holly Toczko. These students were awarded the Ken Sorlien Youth Campership Award in memory of our past chairman, Ken Sorlien. Recommendations for the Ken Sorlien Youth Campership Award should be directed to Eloise Coudert.

The Conservation Commission continued to work closely with the New Hampshire Wetlands Board reviewing and advising with regard to applications for shorefront changes to our town's water bodies.

CENTER HARBOR HISTORICAL SOCIETY

1995

You are invited to leisurely visit the collection of memorabilia of your town at the Village Schoolhouse on Saturday afternoon in July and August. The little school is located on Route 25B. You can also attend an evening meeting of the Historical Society at 7:30 on the fourth Thursday of the month from April through November.

The programs for 1995 appealed to the many interests of members and friends. Local speakers told how it was to grow up in Center Harbor a "few" years ago, as well as informational discussions of native Americans, gravestone art. An interesting history of the Center Harbor Grange was the subject of another program.

Loyal patrons made the annual plant sale, held at the Center Harbor Fire Station, very successful with all members doing their share to help. Look for the plant sale on May 25th in 1996.

As usual, the Historical Society participated in the Independence Day Parade. On Memorial Day American flags were placed on the graves of veterans buried in Center Harbor. If you want to know where these are located, come with us. The Society also participated in the Lakes Region Heritage Roundtable project sponsored by Inherit New Hampshire.

That was 1995! Now for 1996. The programs are again of varied topics: Heirloom Gardens, Medical Practices of not so long ago; and Century of Railroads. Local subjects by local speakers will include the Center Harbor Band, the Center Harbor Fire Department, and a chance to learn about West Center Harbor. There will be more too!

Once again, this is your invitation to share a meeting or a Saturday afternoon visit with us.

CENTER HARBOR POLICE DEPARTMENT
1995 Annual Report

Well, 1995 was an extremely busy year. We handled 1126 calls for services, up from 944 calls for services last year.

In 1995 this department saw a rise in juvenile complaints which has taken up a lot of our officers' time that could have been spent on the road. However, compared to the stats in 1993, we were able to increase our time spent in the field. This is due to the additional help we received from the part time officers. They are definitely a valuable asset to this Department.

I would like to take this time to thank all the people who have assisted this department during the year. Included is a special thanks to Mrs. Chip Sorlien who has donated her time in doing secretarial work for the Department.

Respectfully submitted,

ANDREW FALLER, Chief of Police

REPORT OF NEW BEGINNINGS

On behalf of New Beginnings, I would like to thank the Town of Center Harbor for its continued support. Your $500 allocation for 94-95 assisted us in providing emergency services, advocacy and support to victims of domestic and sexual violence.

Publicity surrounding the issue of domestic and sexual violence and its devastating effects on families and children has resulted in a significant increase in requests for our services. Our records indicate that we had seven contacts with Center Harbor residents in 1993, five contacts in 1994, and 16 contacts in 1995. In addition, 372 other contacts for services were not identified by town. Our agency documented over 1,721 requests for service for 1995.

As you know, New Beginnings staffs a 24-hour crisis line solely with volunteers; operates a full-time shelter for women and children and safe homes for male victims; provides support and advocacy at court, the hospital, police stations, and social service agencies; offers peer support groups for victims of domestic violence and sexual assault; assists with needs outreach and education programs for teens and adults. All our services are provided free of charge.

We are members of the state-wide NH Coalition Against Domestic and Sexual Violence, promoting statewide networking and resource sharing among domestic violence and sexual assault programs. The Coalition is evaluating body and administrator of state and federal contracts that provide subsidiary funding for member programs and advocates for legislative change that affects victims of domestic and sexual assault.

We greatly appreciate the solid support of the Center Harbor community. We are dedicated to human service, social responsibility and fiscal accountability. We were pleased to start a community outreach in Center Harbor, "We Can Work It Out", a conflict resolution program for grades K-2. This interactive story hour was conducted at the Nichols Memorial Library. We were encouraged by the response and turn out. New Beginnings represents a very finite portion of the Center Harbor budget but the returns are immeasurable. We welcome your participation in our efforts to insure a world of safety for ourselves and our children. Volunteers are always needed and the opportunity to serve is fulfilling and satisfying.

LAKES REGION PLANNING COMMISSION

1995 ANNUAL REPORT

The Lakes Region Planning Commission is a voluntary, non-profit association of local governments formed for the purpose of bringing area municipalities together. By associating and pooling resources, local governments have access to a highly trained professional staff for a wide variety of services. The LRPC works to benefit the member communities and the region overall. The LRPC has expertise in land use and transportation planning, master planning, environmental planning, capital improvement programming, economic and community development, housing, fiscal and environmental impact analysis, geographic information systems, household hazardous waste collections, engineering and site plan review. Circuit rider planning and public facilitation services are also available from the Commission.

Your support helps the LRPC maintain a regional presence working on behalf of all local governments in the Lakes Region. Over the past year the LRPC:

Provided consultation and technical assistance to 31 member communities.

Met repeatedly with federal and state officials and agency representatives to influence policy and help keep the Region an active participant in many ongoing programs.

Contracted and coordinated the 11th, and largest, regional household hazardous waste facility in the Lakes Region.

Sponsored the fall sessions of the NH Law Lecture Series.

Served as Board Member to the Belknap County Economic Development Council and the Newfound Economic Development Corp. Mitigation Advisory Committee.

Convened two public participation meetings for the Route 16 corridor study from the seacoast to Errol, NH, in coordination with the NH Dept. of Transportation and three other regional planning commissions. Completed extensive transportation and data collection efforts for the study.

Completed a display map of several sites in the Lake Winnipesaukee watershed for the benefit of the Lakes Region Heritage Tourism Roundtable through the Scenic Byways program.

Awarded a grant from the US Environmental Protection Agency and the NH Department of Environmental Services to continue technical assistance and publicity efforts for the Lake Winnipesaukee Watershed Project.

Continued to follow up on efforts to locate a conference facility or multi-use convention center in the Lakes Region.

Participated in other regionally significant economic development efforts including Governor's State Park Advisory Committee, Ossipee Valley Chamber of Commerce and the Franklin Economic Development and Revitalization Committee.

Supported and staffed the Lakes Region transportation advisory committee as a forum to discuss and analyze the technical merits of transportation projects.

Assisted applicants applying for funding assistance from the Transportation Enhancements program. In cooperation with the Technical Advisory Committee, developed a list of prioritized enhancement projects for the Lakes Region.

Convened regional meetings in support of Department of Transportation efforts for the development of a statewide transportation model.

Completed a Tourism Profile of the Lakes Region; a statistical summary of the role tourism related activities have on the people and economh of the area.

The first annual "Celebrate Your Lakes Day" was held in Meredith, NH on August 12, 1995. This was created to promote water quality protection in a fun and informative setting. The activities, workshops and displays presented information about issues affecting New Hampshire's Lakes.

Published a book on the Historic Churches of Belknap County.

We look forward to serving Center Harbor in the future. Feel free to contact us at 279-8171 whenever we can be of assistance.

LAKES REGION FAMILY SERVICE ASSOCIATION, INC.

I. AGENCY PROGRAMS AND SERVICES

Lakes Region Family Service is a private, non-profit social service agancy dedicated to strengthening individuals and families by establishing a broad range of programs that promote healthy relationships. We offer services in counseling, mediation, child advocacy, parent aide, parenting classes and a variety of workshops to residents of the Lakes Region. Our organization has been in existence as a separate agency for over 19 years, and has been located in the Lakes Region for over 25 years.

The range of services we offer are directed by both the needs of the communities and families and our belief that the family is the basis for a healthy, responsible and well functioning society.

A. Counseling Program

Our Counseling Program offers services to individual children, adolescents and adults. We provide family counseling and couples counseling and over the last few years we have strengthened our program of group offerings as well. Our staff is composed of Masters-level professionals from a variety of backgrounds including psychology, counseling psychology, and social work. We have a PhD level psychologist who is able to provide more intensive testing and evaluation. Our staff are very committed to working closely with families, schools, local physicians and other human service organizations to address children's and adults' needs as fully as possible.

The Thpes of problems we address include child and adolescent adjustment problems; marital or relationship difficulties; substance abuse; depression, anxiety and adjustment issues related to childhood abuse; domestic violence; battering; parenting problems; grief reactions; adjustment to illness/ disability or unemployment. This is not a comprehensive list, but offers some example of the wide range of issues with which we are able to assist people. We offer counseling in conjunction with other services, such as Mediation and Children in Transition Workshops (such as coping with divorce, remarriage, moving). Our services are often particularly helpful to people and families who are more reluctant to approach more traditional mental health services; i.e. we offer supports for a wide range of family issues that are not identified as "pathological."

Services are provided on a sliding scale fee. We accept some insurances, and we work closely with people to arrange affordable fees if they lack such insurance.

Contributions from towns are of great assistance in making services accessible and affordable. Residents of Center Harbor are most frequently seen at our 95 Water Street, Laconia Office. Over the last year we have collaborated with school personnel in the Lakes Region area to provide services at both the Elementary and High School level.

Our Social Skills Program, a vital component of our Counseling Program, is offered in both Meredith and Belmont. This will be our sixth year working with Interlakes Elementary School. Although the start-up of this program was funded through Belknap County Incentive Funds, for the last three years we have not received those funds for the Meredith program. Part of our town allocation has been utilized to help defray the expenses of this important program. The program is a collaborative effort designed to provide preventative groups for children defined as "at risk" (such as extreme shyness, aggressiveness, failure to interact appropriately with others). A counselor from our agency works jointly with Shirley Jacob, one of the elementary school counselors at Interlakes Elementary to conduct weekly groups for six-week periods to assist children in increasing their skills in interacting with peers. Whenever possible, this program also includes a component for assisting sixth graders deal with some of the emotional issues that arise as they "transition" to the junior high school.

B. The Mediation Program

In March, 1992, the Belknap Mediation Program was integrated into Lakes Region Family Service. Over the last three years, this Program has become an integral part of our agency. It offers Parent-Child mediation and other Family mediations free of charge to the community. Most of the services in family mediation activities are provided by skilled and committed volunteers. Typical problems addressed in Family mediation include:

Rebelliousness
Discipline problems
Issues over household rules
Communication problems
Re-integration of children who are leaving foster care.

Other Family mediations take place when parents are unable to agree on child visitation, or when extended family members look for help in negotiating agreements.

Over the last 1½ years the mediation program has developed into the area of Peer Mediation. The coordinator has worked collaboratively with schools and communities (including parents, teachers, and students) to implement a program of students helping students through utilization of conflict

resolution skills. This is one component of our efforts to reduct violence among youth. Schools throughout the Lakes Region have participated in the program and we plan on expanding this further each year.

We have also begun offering a four-part "Working it Out" Workshop designed for parents and teens to actively participate in learning new and more effective ways of managing conflict. We are hoping to offer this workshop throughout the region over the coming year. The first school in which we conducted peer mediation training was Interlakes Junior High School. There are plans to follow up on this training in the coming year.

We are hoping that Center Harbor will help provide some funding to assist the Family mediation costs and in the future to be involved in the development of peer mediation services.

C. Other Programs

The Agency's other programs are Child Advocacy and Parent Aide Programs. Our Child Advocacy Program is funded by a grant through the New Hampshire Attorney General's office and enables us to educate communities about child sexual abuse. This program also provides advocacy and counseling services to children and their families when child sexual abuse occurs.

The Parent Aide Program is a more recent addition to the Agency, beginning in January 1994. It is a program in which families who are referred by the Division of Children, Youth and Families are assisted in the home by parent aides. Parent aides provide a variety of services to strengthen parents' ability in a variety of areas, such as basic housekeeping, transportation, menu planning and appropriate childcare. These parents have been reported to the Division for neglect or abuse and are at risk for having the children removed from the home. Funds for this program come from fees from the Division of Children, Youth and Families.

In May 1995, Lakes Region Family Service announced the development of our newest program, The Family Life Institute. This program is designed to offer more educational services to individuals and families throughout the Lakes Region. One of the primary functions of this Institute is to expand our parenting education services. Several courses and workshops have already been slated to begin in the fall of 1995. Examples of these include; Systematic Training for Effective Parenting, a 10-week educational program designed to help parents understand children's behavior and respond in ways that are more positive; How to Discipline Your Children, a 3-4 week course designed specifically to help parents cope with problems such as whining, sibling rivalry, aggression, etc.; and a Support Group for Parents of Adolescents. The "Working It Out" Workshop will combine mediation/negotiation strategies and will also be considered an activity of the Family Life Institute. We are currently developing plans to offer some of our parenting programs in Meredith at the Elementary School. This should increase accessi-

bility to our services. Parenting classes are normally conducted for a very low fee, which principally covers the cost of materials and salary for the counselor who conducts the training.

This Program will attempt to increase accessibility to our services by being offered throughout the region. It will also collect data on the needs of families in the Lakes Region so that services can be designed to address those needs.

INTER-LAKES DAY CARE CENTER

1995 ANNUAL REPORT

We wish to thank the Town of Center Harbor for their continued support of our programs. Inter-Lakes Day Care Center and Nursery School is a private, non-profit child care agency incorporated in 1971, celebrating our 25th anniversary in October 1996. Full and part time child care is provided with developmentally appropriate curriculum at two locations for children thirteen months to twelve years. During 1995 the Center served 168 children from 132 families. Sliding scale fees are available, and USDA approved meals and snacks are included. This appropriation is used as local support and funding under Title XX through the office of Economic Services of the State of New Hampshire.

Recreation activities began early in the year with a skating party held on February 11 at the town rink. 25 children and adults enjoyed the skating with music and hot chocolate provided. A "Spike Into Spring" volleyball tournament was organized jointly with the Moultonboro Recreation Department on March 19, and 41 players from around the state participated in the day-long tourney. Power volleyball continues to be offered every Tuesday night at the Inter Lakes Elementary School gym, while recreational volleyball is offered on Sunday nights at the Inter Lakes High School gym. These programs begin at 7:30 pm each night and are conducted through the volunteer efforts of Bart Coudert. Spring activities continued with the annual Easter Party held April 15 at the Town Hall. 55 children enjoyed egg hunts and egg decorating. An environmental program for children, "For Earth's Sake", was held at the library on two consecutive Saturdays, April 22 and 29th. 16 children attended each program encompassing a tree planting and activities relating to our "Living Waters." The annual Memorial Day Parade was observed on May 29 and eulogies given by Rev. John Eaton and Minister Robert Farah. Lilac wreaths were graciously made and donated by B.J. Larsson.

The summer months are always busy, and tennis players were treated to newly resurfaced courts this year. Additional improvements to recreational facilities included fencing around the basketball court. Site work including loaming and seeding by the town crew enhanced the town beach area around the basketball court.

Lifeguards manned the town beach every day from June 25 through August 21, and Red Cross swimming lessons were offered in two sessions, with 34 students slotted for session 1 and 33 swimmers in session 2. A Water Carnival was held at the end of each session. Swimmers itch continued to be a problem this summer, with 14 known cases in the swim classes, including the instructors. We encourage residents to inform visitors or guests <u>not</u> to encourage or feed ducks.

The summer recreation program offered a variety of options. 20 children participated in the seven week beach program which included hikes, field trips, arts and crafts, tennis lessons, a Monday guest artist program, and evening campfire programs. Teen volleyball and co-ed softball rounded out the activities. The 5th Annual Center Harbor Horseshoe Tournament drew a crowd at the beach on August 13. Band concerts were not held this summer due to the lack of a director. The recreation department is seeking a band director for the Summer of '96. Let us know if you are interested.

Fourth of July started off with the 16th Annual Center Harbor Foot race which drew 389 participants in the 2 mile, 5 mile and children's races. By direction from the State Department of Transportation, the route of the Independence Day Parade was changed this year. Entrants decorated themselves and their floats on the theme of "Preserve Peace." Due to new liability requirements by the fireworks company, the side of the fireworks display had to also be changed this year. We are

still searching for the optimum spot. Let us know if you have any ideas.

The fourth Thursday of every month is a special events day for senior citizens in the Bernice Gilpatrick Hall of the Center Harbor Congregational Church. Special programs and luncheons are offered on these mornings. All seniors are welcome. 20 to 30 senior citizens attend these events.

A Halloween party on October 31 at the fire station attracted 70 to 80 children and adults, with special entertainment in the form of Alexander the Jester sponsored by Sabanek Associates.

Activities sponsored in conjunction with Nichols Memorial Library continued to be popular this year. In addition to the spring environmental programs, a series of craft programs for children, "Nature's Crafts", was conducted on two successive Saturdays, November 18 and 25, drawing 14 children for each program. A holiday celebration at the library drew 33 partygoers who enjoyed music, treats, story telling, Christmas crafts and the annual tree lighting.

I greatly appreciate the support and assistance of the town personnel and community volunteers who facilitate these programs.

Respectfully submitted,

ELOISE COUDERT
Recreation Director
